

DROPSHIP PROGRAM

You Sell – We Ship

DROPSHIPPING OVERVIEW

What is Dropshipping?

Your company advertises and sells our product online (Web), as one of your own, “in stock” available, listed products. We ship directly from our warehouse without you needing to first buy or store inventory. This saves you time, money and effort!

DROPSHIP PROGRAM BENEFITS

Stock Not Needed!

You do not need to pre-buy or keep stock on site but you are still able to sell GenMax products.

Reduced Delivery Commitments!

Orders are processed on your behalf as soon as received and mailed as per Dropship Agreement on your behalf.

Less Labour Costs!

We fulfil your orders here, leaving you to do what you do best: Sell the product and earn from that.

System Integration

You can forward orders in 2 ways:

1. Simply re-route your orders to GenMax from your web shop **OR**
2. Simply send a copy of the order to GenMax by email.

E-Commerce Platforms

No online store but you want one? GenMax can create and implement online E-Commerce solutions and Web Media which you can use for online sales. (To be quoted individually)

DROPSHIP PROGRAM FEES?

There is **NO COST** to you!
